UNIVERSITY OF CALGARY Advancing Innovation in Higher Education Conference

This form provides a guide for the peer-review process.

Proposal Selection Criteria	Has met the criterion (Yes/No)	Comments
1. The proposal provides a clear overview of the topic, issue or research question addressed, including its importance within the postsecondary teaching and learning community, and the context of the conference.		
2. The proposal addresses a relevant topic or research question that would be of interest to a wide variety of disciplines.		
3. The proposal clearly states the intent/goals of the session.		
4. The proposal demonstrates how the session will create a space for shared learning, reciprocal engagement, and meaningful inclusion.		
5. The proposal is linked to existing scholarly and/or community perspectives.		
6. The proposal outlines how it aligns with one of the identified areas of focus.		
Comments on the proposal submission overall.		

☐ **Accept as proposed.**	☐ **Accept as a different session type.** Please specify what session type would be more suitable:	☐ **Do not accept.** Proposal does not meet evaluation criteria or is not suitable.
